

RAG Validation Question Set

Use this set after completing the guided project. Do not use it as a source document for the RAG system.

Document-grounded questions

1. What are the standard working hours?
2. How many casual leave days are provided each year?
3. How many sick leave days are employees entitled to?
4. How many earned leave days are provided per calendar year?
5. How many earned leave days can be carried forward?
6. What is the standard work-from-home arrangement?
7. How soon after a business trip should travel expenses be submitted?
8. What is the standard medical insurance coverage limit?
9. What factors are considered during the annual performance appraisal?
10. What is the standard notice period for regular full-time employees?

Retrieval / reasoning questions

11. What type of leave is intended for short-duration personal requirements?
12. What should an employee do when working remotely?
13. What class of air travel is standard for domestic business trips?
14. Which team should be contacted for benefits-related questions?
15. What should employees do if they suspect a data exposure?

Negative / out-of-context questions

16. What is the current share price of the company?
17. Who is the current Prime Minister of India?
18. What was the company's revenue last quarter?
19. What is the weather in Jaipur today?
20. Which employee received the highest appraisal rating this year?

Expected behavior for negative questions: the RAG system should not invent an answer and should state that the information cannot be found in the provided document/context.
